Section 4. Investigatory Interviews

Where the Employer desires to conduct an investigatory interview of an Employee where the results of the interview might result in discipline, the Employer agrees to first inform the Employee that the Employee has a right to Lodge/Council representation at such interview. If the Employee desires such Lodge/Council representation, no interview shall take place without the presence of a Lodge/Council representative. The role of the Lodge/Council representative is limited to assisting the Employee, clarifying the facts and suggesting other Employees who may have knowledge of the facts. If a Lodge/Council representative of the employee's choice is not available at the time of the request, or a reasonable time thereafter not to exceed two (2) hours, then any Lodge/Council representative present shall be used by the employee.

Section 5. Merit Commission

The Employer and the Lodge/Council agree that the existing Merit Commission procedures as amended by law from time to time, relating to the review of suspensions and discharges shall remain in place. For all oral and written reprimands and non disciplinary grievances the provision of this Agreement relating to the Dispute Resolution and Grievance Procedure shall be in effect. Nothing herein shall infringe on the function of the Sheriff's Merit Commission in testing applicants for new positions or promotions and creating eligibility lists for any such positions from which the Sheriff shall fill any such positions. This section. applies only to merited officers.

Section 2. Prohibitions

The Employer or his designated representative must certify their reasonable suspicions concerning the affected officer prior to any order to submit to the testing authorized herein. There shall be no random or unit-wide testing of officers, except random testing of an individual officer as authorized in Paragraph 8 below and random testing of an employee who is voluntarily assigned to a Departmental Drug Enforcement Group for at

least thirty (30) days and such officer's duties are primarily related to drug enforcement. The foregoing shall not limit the right of the Employer to conduct such tests as it may deem appropriate for persons seeking employment as police officers prior to their date of hire.

Section 4. Order to Submit To Testing

Within eight (8) hours after the time an officer is ordered to submit to testing authorized by this Agreement, the Employer shall provide the officer with a written notice of the order, setting forth all of the objective facts and reasonable-inference drawn from those facts which have formed the basis of the order to test. Refusal to submit to such testing may subject the employee to discipline, but the officer's taking of the test shall not be construed as a waiver of any objection or right that he may have. The Employee must take the test within sixty (60) minutes for alcohol and four (4) hours for drugs of being ordered to do so or it shall be deemed a refusal.

Section 5. Test To Be Conducted

- (b) Establish a chain of custody procedure for both sample collection and testing that will insure the integrity of the identity of each sample and test result.
- (c) Collect a sufficient sample of the same body fluid or materials from an officer to allow for initial screening, a confirmatory test and a sufficient amount to be set aside reserved for later testing if requested by the officer
- (d) Collect samples in such a manner as to insure a high degree of security for the sample and its freedom from adulteration;
- (e) Confirm any sample that tests positive in the initial screening for drugs by testing the second portion of the same sample by gas

- chromatography mass spectrometry (GCMS) or an equivalent or better scientifically accurate and accepted method that provides quantitative data about the detected drug or drug metabolites;
- (f) Provide the officer tested with an opportunity to have the additional sample tested by a clinical laboratory or hospital facility of the officer's own choosing, at the officer's own expense provided the officer notifies the Employer within seventy-two (72) hours of receiving the results of the tests;
 - (g) Require that the laboratory or hospital facility report to the Employer that a blood or urine sample is positive only if both the initial screening and confirmation test are positive for a particular drug. The parties agree that should any information concerning such testing or the results thereof be obtained by the Employer inconsistent with the understandings expressed herein, the Employer will not use such information in any manner or form adverse to the officer's interests;
 - (h) Require that with regard to alcohol testing, for the purpose of determining whether the officer is under the influence of alcohol test results that show an alcohol concentration of .04 or more based upon the grams of alcohol per 100 milliliters of blood be considered positive. If a test is greater than 0.0 but less than .04 the officer shall be conclusively presumed to be not under the influence of alcohol. If the test is .10 or greater the officer shall be conclusively presumed to be under the influence of alcohol. If the test is at least .04 but less than .10 the Employer shall not be precluded from demonstrating the officer was under the influence however no presumption will be attached to said results and the Employer shall bear the burden of proof in such cases;
 - (i) Provide each officer tested with a copy of all information and reports received by the Employer in connection with the testing and the results;
 - (j) Insure that no officer is the subject of any adverse employment action except temporary reassignment or relief from duty during the pendency of any testing procedure.

Section 6. Right To Contest

The Lodge/Council and/or the officer with or without the Lodge/Council shall have the right to file a grievance concerning any testing permitted by this Agreement contesting the basis for the order to submit to the tests, the right to test, the administration of the tests, the significance and accuracy of the tests, the consequences of the testing or results or any other alleged violation of this Agreement. Such grievances shall be commenced at Step 2 of the grievance procedure. It is agreed that the parties in no way intend to restrict, diminish, or otherwise impair any legal rights that officers may have with regard to such testing. Officers retain any such rights as may exist and may pursue the same at their own discretion, with or without the assistance of the Lodge/Council.

Section 7. Voluntary Requests For Assistance

The Employer shall take no adverse employment action against an officer who voluntarily seeks treatment, counseling or other support for an alcohol or drug related problem, other than the Employer may require reassignment or temporary suspension of the officer if he is then unfit for duty in his current assignment. All such requests shall be confidential and any information received by the Employer, through whatever means, shall not be used in any manner adverse to the officer's interest, except reassignment as described above.

Section 8. Discipline

In the first instance that an officer tests positive on both the initial and the confirmatory test for drugs or is found to be under the influence of alcohol, and all officers who voluntarily seek assistance with drug and/or alcohol related problems, shall not be subject to any disciplinary or other adverse employment action by the Employer. - (c) The officer completes the course of treatment prescribed, including an "after-care" group for a period of up to twelve (12) months;

Officers who do not agree to, or who do not act in accordance with the foregoing, or who test positive for a second or subsequent time for the presence of illegal drugs or alcohol during the hours of work shall be subject to discipline up to and including discharge.

The foregoing shall not be construed as an obligation on the part of the Employer to retain an officer on active status throughout the period of rehabilitation if it is appropriately determined that the officer's current use of alcohol or drugs prevents such individual from performing the duties of a police officer or whose continuance on active status would constitute a direct threat to the property or safety of others. Such officers shall be afforded the opportunity to use accumulated paid leave or take an unpaid leave of absence, at the officer's option, pending treatment. The foregoing shall not limit the Employer's right to discipline officers for misconduct provided such discipline shall not be increased or imposed due to alcohol or drug abuse.
